2. President's Report

This year has been challenging for many reasons, but here are the key reasons:

- We again recorded a loss. This year's loss was \$9,299 which was significantly less than 2017-18 but still unacceptable.
- Our contract with our Head Coach Dusan Damjanovic concluded on 30th June 2019 and we have been unable to agree terms for his continuance.
- We have been unable to retain our Executive Officers with Sarah Kelly and Mark Howells both resigning to take on bigger and higher paying roles.
- Thanks to the support of our coaches, we have had several athletes present at Australian under aged selection camps but we have not had any selected. The message from the National Coaches is that the athletes need more exposure to coaches (who reside mainly in Sydney) so there is a better understanding of the national game style expectations. This is needs to be addressed otherwise we will continue to lose athletes to Sydney clubs if they believe it is their best pathway to Australian selection.
- The sport at the Water Polo Australia level has had a tumultuous year. Dissatisfaction with the financial performance of WPA led to calls for Board resignations. This caught the attention of Sport Australia who demanded the sport engage in a governance review to create a more modern structure that in its view would be less susceptible to factions, disparate strategies, unnecessary costs and leadership churn. This matter is ongoing and until resolved will mean that participation funding from Sport Australia will be held back. SA has been represented in these discussions through Susie Smith, a WPA Board member, and me. I believe we are both working to find a solution that will bring the focus back on the sport and less on the Boardroom.

On a more positive note:

- The Adelaide Jets continue to compete in the Australian Water Polo League. A second Brisbane team dropped out and Victoria is still unable to field a team that shows the pressures on competing at this level, particularly from a cost perspective. It costs around \$130,000 to field our men's and women's teams. This is only possible through the support from the players and the generous sponsorship from Fyfe, Schinellas, the Office of Recreation, Sport and Racing (ORSR), the Warradale Hotel, as well as individual player sponsors. Our thanks also must go to our coaches, Eddie Denis and Dusan Damjanovic, as well as the team managers Jon Harmer and Ellen Traeger
- Under the leadership of Mark Howells, WPSA engaged with the Clubs and other interested people in our community on how to develop our sport, with emphasis on growing our participation numbers. Even though Mark has left, we will use his work to implement this plan over the next year.
- There were remarkably few Code of Conduct issues so my thanks to the whole community.
- We were able to send six teams to the inaugural Australian Youth Championships and Under 16 girls and boys' teams to the National Aged Club Championships.
- We are investigating, with the support of WPA, the opportunity to merge our administrative functions into the WPA organisation. The aim would be to create efficiencies, provide our office staff with access to an organisation more able to provide HR, IT and financial support. This is only in its conceptual phase and no change will be implemented unless we can see significant benefits to WPSA, an ability to retain our State decision making (important to the ORSR) and at a cost, that is

less than other options. We will work through this slowly and seek community input throughout before any recommendation is put to our membership.

I would like to thank Melissa Beames who has worked tirelessly at the office despite two changes of EO and the challenges that have kept presenting themselves. I also extend thanks to Anna Porcaro who has picked up organising our competitions; working our grants program and supporting on many other aspects that help us exist. Both women deserve our gratitude and continuing support.

Thank you also to the Technical Committee of Jason Wedding, Jet van Duijn, Tony Hall, Tony Grooby and Catherine O'Sullivan. Particular thanks to Jason and Tony who are stepping down this year for all they have put into the TC as well as into referees and the game in general. We will advertise for replacements after the AGM.

Our Board also deserves our appreciation. Unfortunately, Kathleen McHugh, Simon West and Damon Maslen have decided to step down at this AGM. All have been invaluable Board members and have worked tirelessly to help sort our accounts and finances out over the past years. This has not been easy and I am confident we are in better shape because of their efforts.

Finally, the Board's most sincere thanks go to all of the volunteers, coaches, referees and table officials that are essential to our sport. There is always more to do, so please take their lead and join in where you can.

Peter Cleary
President

3. Finance Report

3.1 Overview

Completion of the Financial Report 2018-19 has not been possible in time for the AGM. The financial position as stated in the Profit and Loss Statement, as well as the Balance Sheet, have been worked with our accountant, Mr Michael Jenke and the Finance Committee of the Board. We are satisfied that they are up to date and accurate.

After the appointment of the auditor at the AGM an audit of the accounts will be undertaken and the completed and audited accounts will be formally submitted to the members, so we comply with our obligations under the Associations Act and the requirements of the ORSR.

The following should be noted with respect to the Financial Statements:

1. We remain heavily dependent on Grant funding so we maintain a close relationship with the ORSR to ensure we remain eligible and aware of new grant opportunities. Anna Porcaro has specific responsibility for this function.
2. Administrative and coaching costs were again a challenge to profitability. We were unable to get a reasonable contribution to the Head Coach costs from WPA so we have been forced to restructure the Head Coach position. The completion of service by Dusan Damjanovic enables us to look for ways to engage a coaching director in a manner that enables us to keep to budget.
3. The position of Executive Officer will not be filled until we have reviewed the operational model with WPA. It is hard to retain quality people in this role due to its part-time nature and requirement for an almost full-time commitment.
4. We have established levy accounts for players who aspire to State or AYC squads. Funds are received in advance of expenditure on pool facilities, coaches and travel. We are confident that this will avoid State team losses seen in the previous years.
5. Membership numbers remain low. Without a growth in member numbers, we will continue to find it hard to sustain the sport. Many players and parents remind us of the cost of water polo but without a strong growth in membership, it is hard to distribute the fixed costs (pool hire, administration etc.) to lessen the individual burden.
6. The Jets showed how commitment to fundraising could help teams. Thanks to the efforts of Tammy Taylor and Yvette West, the Jets held successful Film and Quiz nights as well as combined end of year function. The Jets portion was near \$25,000. Thanks to Tammy and Yvette together with all those who supported these efforts.

3.2 Government Grants

Water Polo South Australia has continued to receive funding from the Officer of Recreation, Sport & Racing throughout the year, receiving a total of \$106,750. The grants that were awarded to Water Polo South Australia in the 2018 – 2019 financial year were:

Sport & Recreation Sustainability Program	Provide leadership, policies and administrative services	\$27,500 (excl. GST)	Funded until 30 June 2021
Sport & Recreation Development & Inclusion Program	Club development program	\$18,000 (excl. GST)	Funded \$13,000 for 2019 – 2020
Sport & Recreation Development & Inclusion Program	Inclusive water polo program	\$15,000 (excl. GST)	
Sport & Recreation Development & Inclusion Program	High performance development program	\$45,000 (excl. GST)	Funded until 30 June 2020
Sport & Recreation Development & Inclusion Program	Girls U12 & U14 development program	\$1,250 (excl. GST)	

Water Polo South Australia will continue to identify new grant opportunities during the 2019 – 2020 year to ensure sufficient funding is received to grow, develop and promote water polo in South Australia.

3.3 Board of Management's Report

Your Board Members submit the financial report of Water Polo South Australia Inc. for the financial year ended 30 June 2019.

Board Members

The names of Board Members throughout the year and at the date of this report are:

Peter Cleary (Chairperson)
 Kathleen McHugh (Director of Finance)
 Damon Maslen
 Simon West
 Jessica Martin
 Jon Harmer
 Michelle Barnes

All Board Members act in an honorary capacity in the ordinary course of business.

Principal Activities

The principal activities of the association during the financial year were to provide governance and assistance to clubs that participate in the sport of Water Polo in South Australia. This includes the running of club amateur competitions and partial management of the State's National League team.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The Surplus / (deficit) from ordinary activities amounted to \$(9,299) (2018: \$(70,846)).

Events After Reporting Date

At the time of this report there has been no events that will significantly impact the Financial Statements as at 30 June 2019 to result in any necessary comments.

Signed in accordance with a resolution of the Members of the Board.

Chairperson

Peter Cleary

Director of Finance

Kathleen McHugh

Dated this day of 2019

Cash and cash equivalents at beginning of period	30,031.09
Cash and cash equivalents at end of period	40,406.57
Net change in cash for period	10,375.48

3.7 Notes to the Financial Statements for Year Ending 30 June 2019

1. Summary of Significant Accounting Policies

a) Basis of Preparation

In the officers' opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the South Australian legislation the Associations Incorporation Act 1985 and associated regulations. The officers have determined that the accounting policies adopted are appropriate to meet the needs of the members of Water Polo South Australian Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specific by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation and Application of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

b) Comparative Amounts

Comparatives are consistent with prior years, unless otherwise stated.

Where a change in comparatives has also affected the opening retained earnings previously presented in a comparative period, an opening statement of financial position at the earliest date of the comparative period has been presented.

c) Income Tax

As the company is a not-for-profit organisation, it has been granted exemption from the Commissioner of Taxation for the payment of income tax.

d) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Grant revenue

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant can be measured reliably.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

e) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

f) Property, Plant and Equipment**Plant and equipment**

Plant and equipment are measured using the cost model.

Depreciation

The depreciable amount of all property, plant and equipment, except for freehold land is depreciated on a straight-line method from the date that management determine that the asset is available for use.

Assets held under a finance lease and leasehold improvements are depreciated over the shorter of the term of the lease and the assets useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and equipment	5 – 50%
Low Value Pool – Initial	18.75%
Low Value Pool – Thereafter	37.5%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

g) Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

h) Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

i) Economic Dependence

Water Polo South Australia Inc. is dependent on the funding from grants from various sources for the majority of its revenue used to operate the business. At the date of this report the directors have no reason to believe the funding from state government grants will not continue to support Water Polo South Australia Inc.

j) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both internally and externally and within the association.

Trade Receivables

Collectively of trade receivables is reviewed on an ongoing basis. A provision for impairment of trade receivables is raised when there is objective evidence that the association will not be able to collect the amounts owing due to significant financial difficulties or other relevant circumstances in relation to a specific debtor.

k) New Accounting Standards and Interpretations Not Yet Effective

Australian accounting standards and interpretations that have recently been issued but are not yet effective have not been early adopted by the association for the annual reporting period ended 30 June 2019. The Association has not yet assessed the impact of these new or amended Accounting standards and interpretations.

2. Contingencies

In the opinion of the Officers, the Association did not have any contingencies at 30 June 2019 (2018: None).

3. Related Parties**a) Transactions with Related Policies**

Transactions with related parties are on normal commercial terms and conditions no more favourable than to those available to other persons unless otherwise stated.

There were no trade receivables from or trade payables to related parties at the reporting date.

There were no loans to or from related parties.

4. Going Concern

The association has incurred a loss for the year of \$(9,299). The Board does not believe deficit indicates the existence of a material uncertainty which may cast significant doubt about the association's ability to continue as a going concern due to current asset position of \$7,317 to support that as at the date of this report the Association is able to pay its debts as and when they fall due.

5. Association Details

The principal place of business and registered office of the association is:

South Australian Aquatic & Leisure Centre

443 Morphett Road, Oaklands Park SA 5046

3.8 Statement by Members of the Board

The Board has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board, the financial report as set out on pages 7 to 18:

1. Presents a true and fair view of the financial position of Water Polo South Australian Inc. as at 30 June 2019 and its performance for the year ended on that date.
2. At the date of this statements, there are reasonable grounds to believe that Water Polo South Australia Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Chairperson

Peter Cleary

Director of Finance

Kathleen McHugh

8. Sponsors

Water Polo South Australia would like to thank their sponsors for the 2018 – 2019 season. Their continued support is greatly appreciated and without their help, many aspects of our sport would not be accomplished.

It is hoped that the sponsors have valued their association and continue to support water polo in South Australia.

Our amazing partners for 2018 – 2019 were:

- Government of South Australia through the Office for Recreation, Sport & Racing
- South Australian Aquatic & Leisure Centre
- FYFE Pty Ltd
- The Warradale Hotel
- Phil Hoffman Travel
- Schinella's – Your Local Market
- Dekker Motor Bodies
