FAREWELLING OUR STAFF

Anna Porcaro has served WPSA tirelessly over the past 8 years, providing continuity and stability during many periods of uncertainty, including the unprecedented COVID pandemic period.

We extend our sincere appreciation for her dedication and the valuable contributions she has made during her tenure.

We thank Anna for her hard work and commitment, and we wish her every success in her future endeavors.

WPSA will also be saying farewell to Dayna Richman who has held the position of Events and Projects Coordinator for the last year.

Dayna provided support for the Autumn and Winter social competition and Flippa activities, and helped increase our social media profile through the year.

We wish Dayna the very best for the future.
